TRANSMISSION CERTIFICATE UNDER 37 C.F.R. §1.8(a)

Sir:

Further to the undersigned's telephone communication with Derek Woods of the United States Patent & Trademark Office's Petitions Office, submitted herewith is a copy of Applicants' fifth request for the status of the Petition to Withdraw Holding of Abandonment Under 37 CFR 1.181(a). Further attached is a copy of the Petition to Withdraw Holding of Abandonment filed May 10, 2001, and a copy of the Issue Fee Payment filed March 19, 2001.

Statement of Facts

Applicants filed a Petition to Withdraw Holding of Abandonment Under 37 CFR 1.181(a) on May 10, 2001, and have not yet received a decision on the Petition. Applicants received a telephone call from Jim Alexander (P/OPPD; (703)305-8387) indicating that the official USPTO file was lost. Applicants believe that this may be hindering the decision on the Petition, so Applicants filed a copy of Applicants' file history on September 26, 2003. However, Applicants still have not yet received any type of action in this case.

October 4, 2005, Applicants reviewed the Patent Application Information Retrieval system (PAIR) for the current status on the above-noted application (copy included). Under the File History, there is an entry for "12-09-2004: Mail Reconstruction Notice." However, Applicants submit that the Notice was never received, and hereby petition to have any statutory deadlines restarted.

To expedite the reconstruction of the file, review of the Petition to Withdraw Wrongful Holding of Abandonment and issuance of the application as a

HOLDING OF ABANDONMENT UNDER 37 CFR 1.181(a)**Assistant Commissioner for Patents
Washington, DC 20231

Sir:

Applicant hereby respectfully petitions for withdrawal of the holding of abandonment in the above-mentioned application.

In response to the Notice of Allowance issued December 18, 2000, an Issue Fee payment was timely filed with a certificate of mailing on Monday, March 19, 2001. The postcard evidence provided herewith shows that the issue fee was, in fact, paid by Applicant and received by the U.S. Patent and Trademark Office. See attachment I.

Even though Applicants have properly paid the Issue Fee (See attachment II), a Notice of Abandonment has been received (dated April 26, 2001). Applicant respectfully submits that, in view of the postcard evidence provided herewith, the issue fee was, in fact, filed by Applicant and received by the U.S. Patent and Trademark Office. Applicant therefore submits that the proper payment of the Issue Fee should allow the application to issue as a patent. It is respectfully requested that the abandonment of the application be withdrawn and that the application be forwarded to issue branch in preparation for issuance.

Serial No.: 09/002,187

CONCLUSION

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 13-2491 and please credit any excess fees to such deposit account.

Respectfully submitted,
